Sassy SOCIAL SCIENCE

Yoga: A Healthy Way of Living

Organise a yoga camp in your locality. It will be a three-day morning session wherein you will teach the yoga asana—Surya Namaskara. Conduct the yoga session with the assistance of your siblings or parents or you may search for someone in your neighbourhood who is an expert in this asana and can help you to take the session for the audience. Start the session with a few warm-up exercises like jumping jacks, leg swings, etc. while end the session by doing the 'Shav Asana' to relax.

Create a promotional pamphlet for the same by drawing any one step of 'Surya Namaskara' on it. The pamphlet for the session must include the following points with respect to the yoga asana:

Do's and Dont's

Health benefits

Day, Date, Time and Venue

Make copies of the pamphlet and circulate them in your locality to get maximum participation. Also, ask the people to get their yoga mats/sheets and wear appropriate clothing for the session. Click pictures of the people performing the asana during the session. Also ask people about their experience of the session in a few lines. Prepare a chart covering the activities and experience of the session in three aspects of the session, that are,

- Pre-session pasting pamphlet
- · During the session pasting the clicked pictures
- · Post-session writing the collected experiences of people

- · Post-session writing the collected experiences of people
- During the session pasting the clicked picture
- Pre-session pasting pumphlet
